TIMES OF YOUR LIFE

RUTH REEG

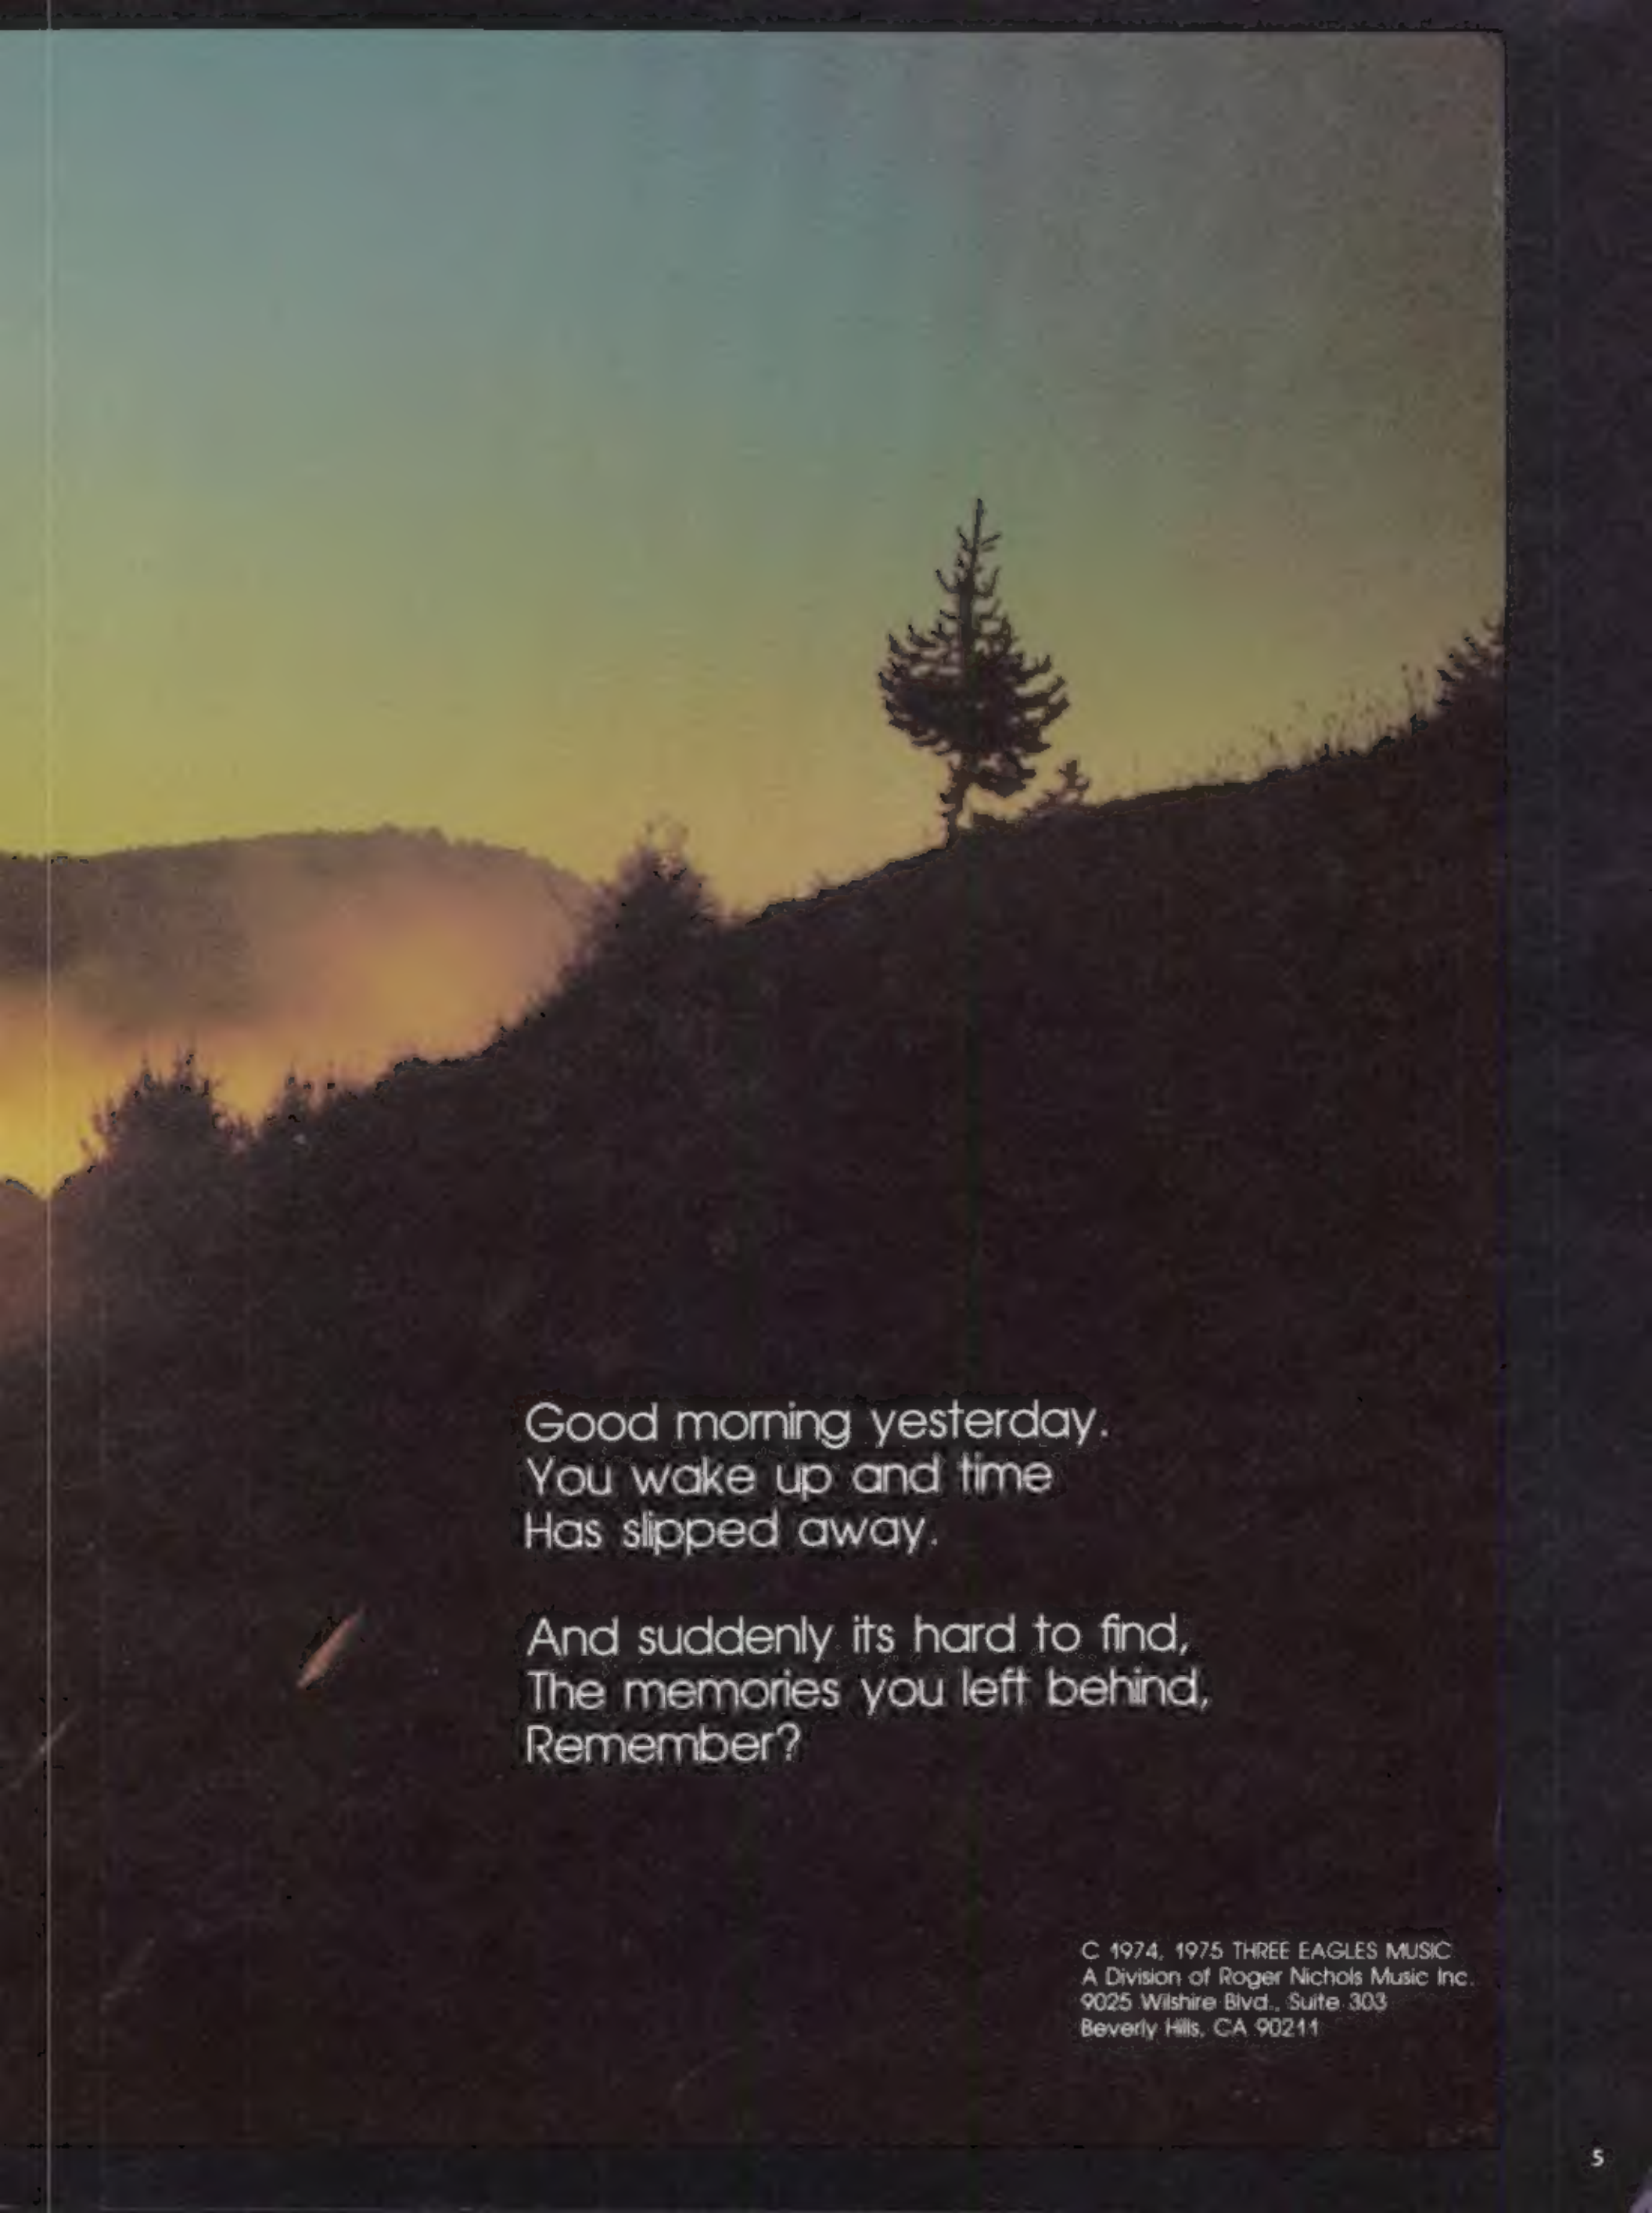

THE TIMES OF YOUR LIFE

EMERY COUNTY HIGH
CASTLE DALE, UTAH
VOLUME XVII

... Will you remember?

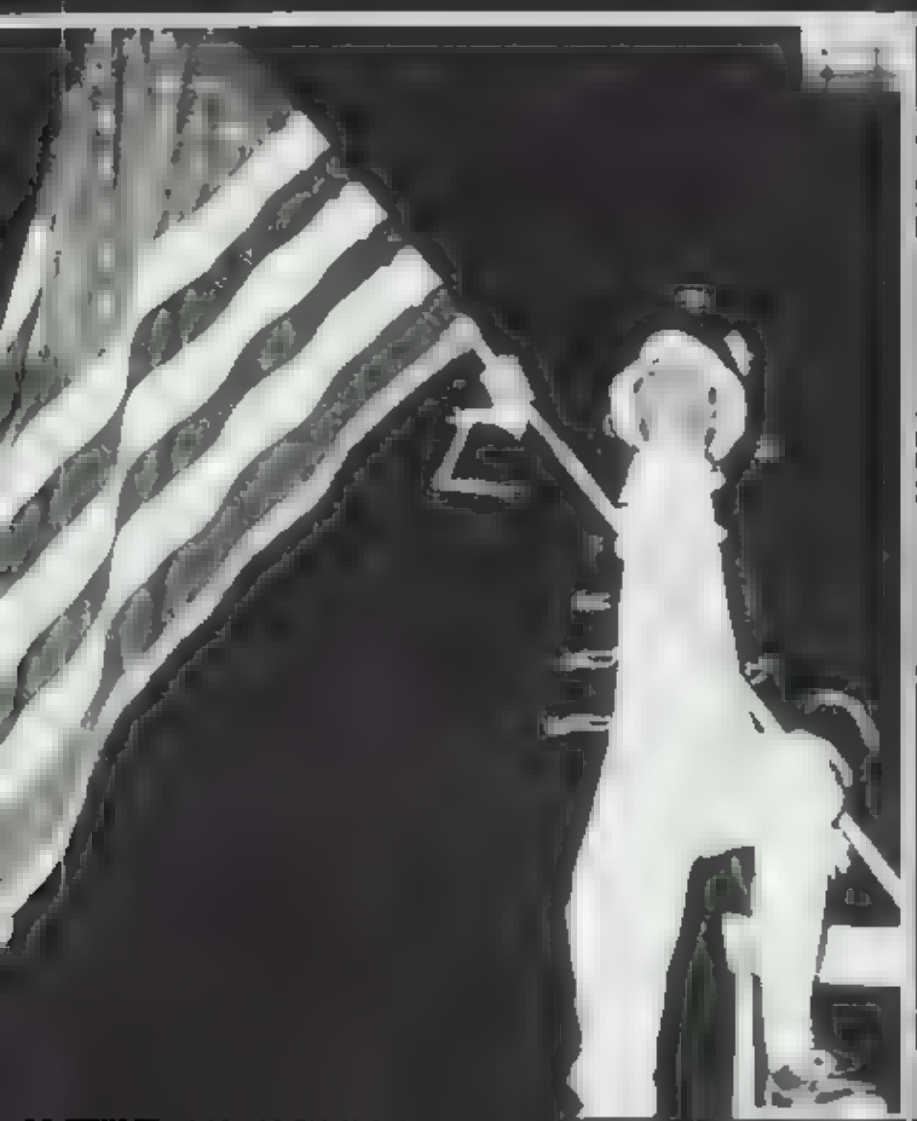

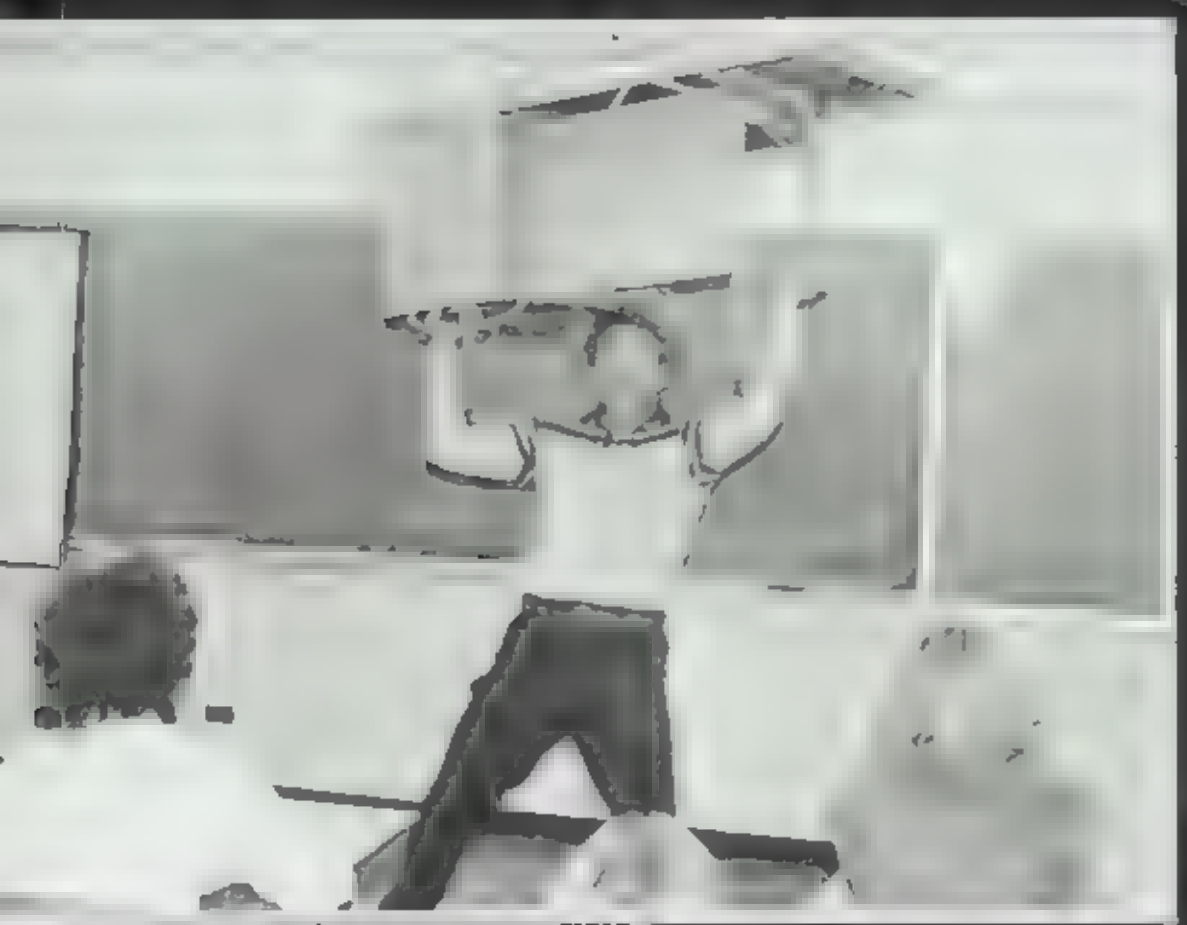

Good morning yesterday.
You wake up and time
Has slipped away.

And suddenly its hard to find,
The memories you left behind,
Remember?

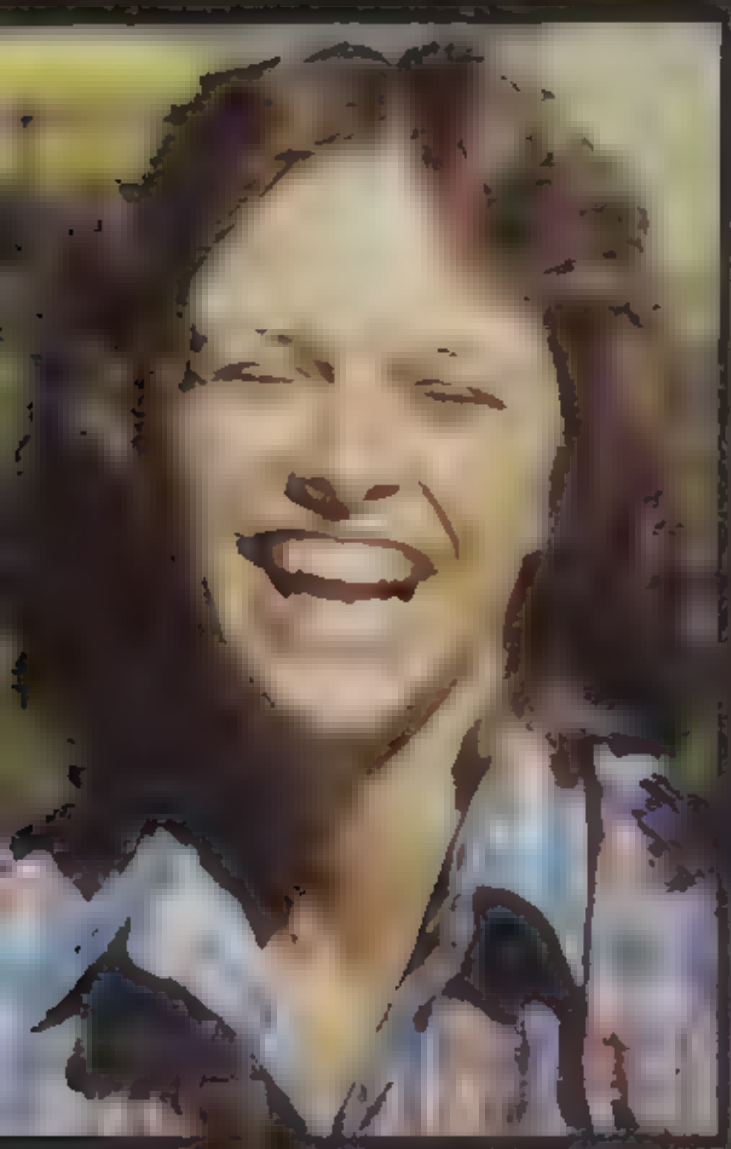

© 1974, 1975 THREE EAGLES MUSIC

Do you remember
the laughter and the tears,
The shadows of misty yester-years?

The good times and the bad you've seen
And all the others in between, remember?
Do you remember the times of your life?

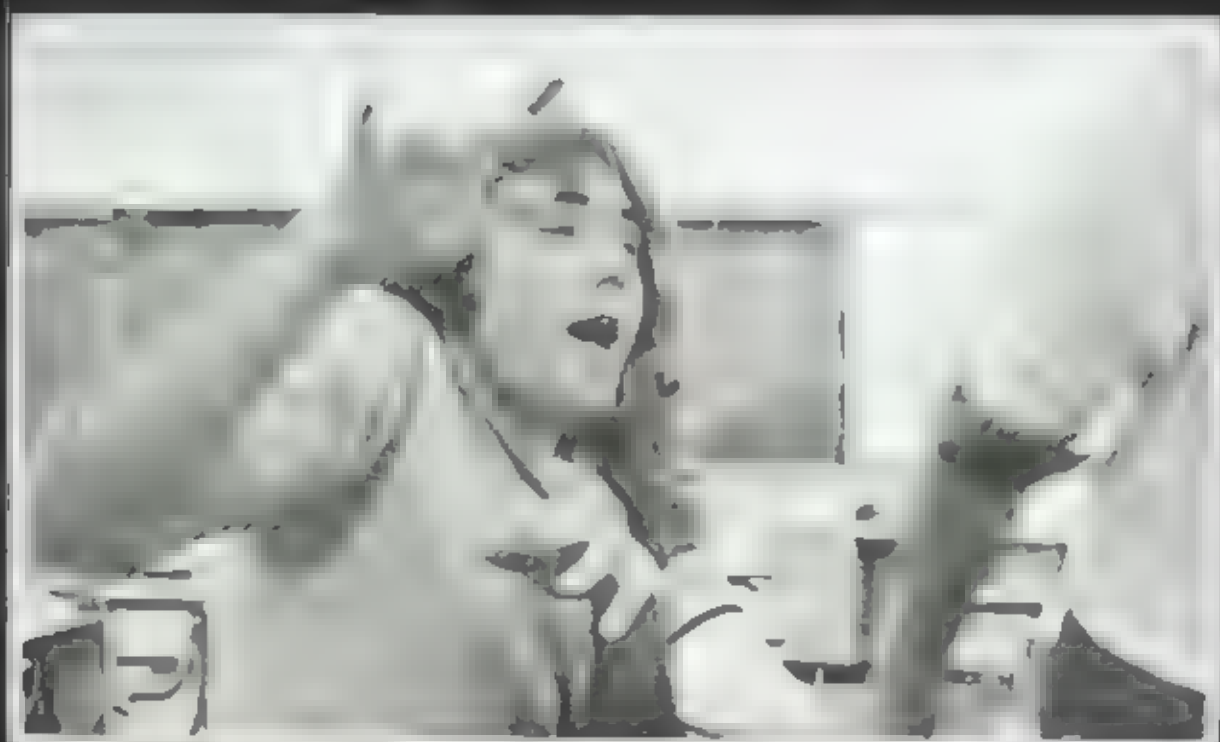

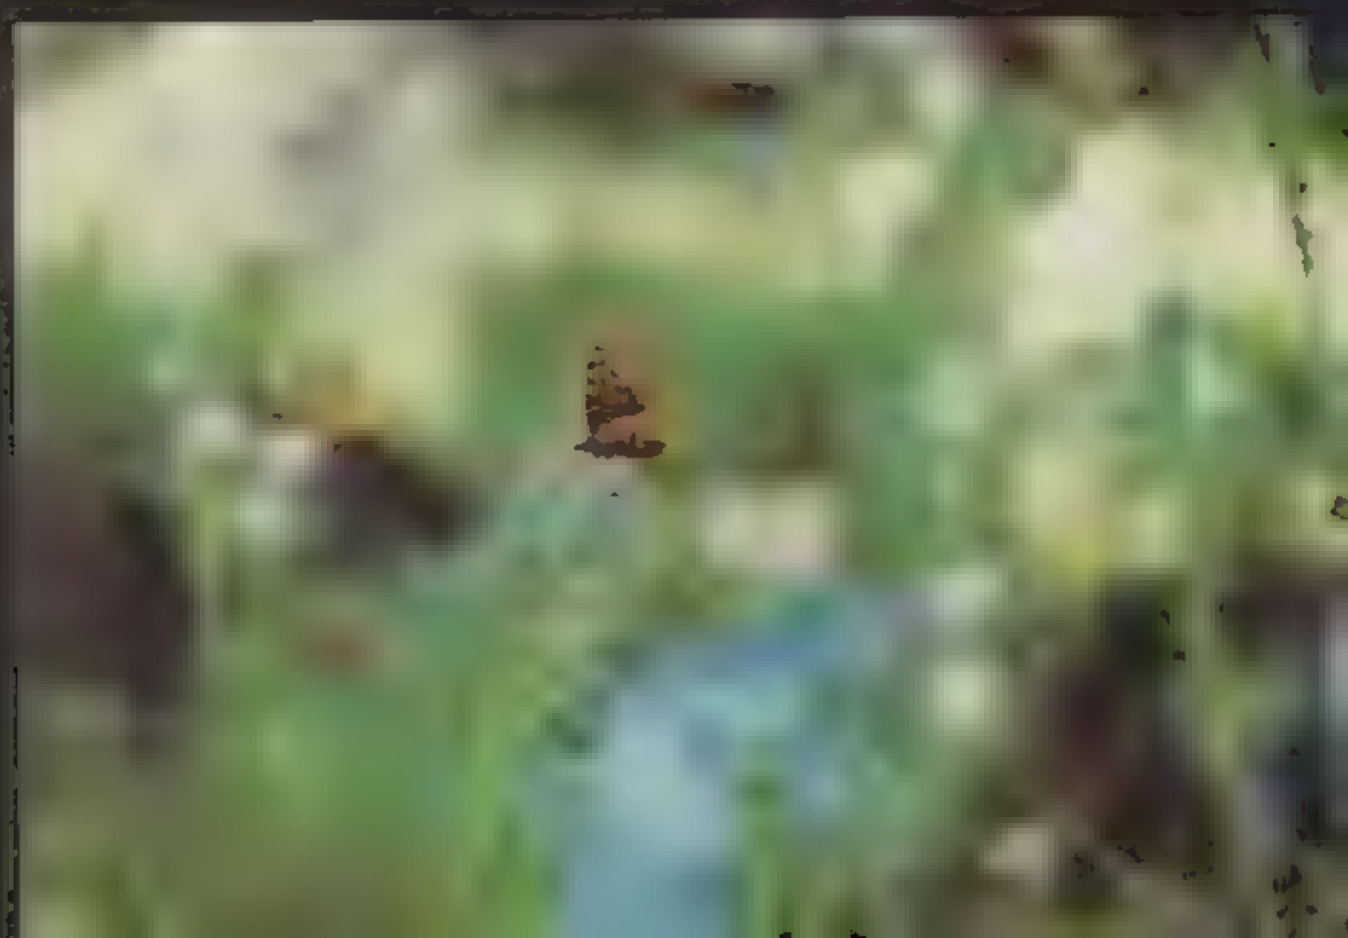

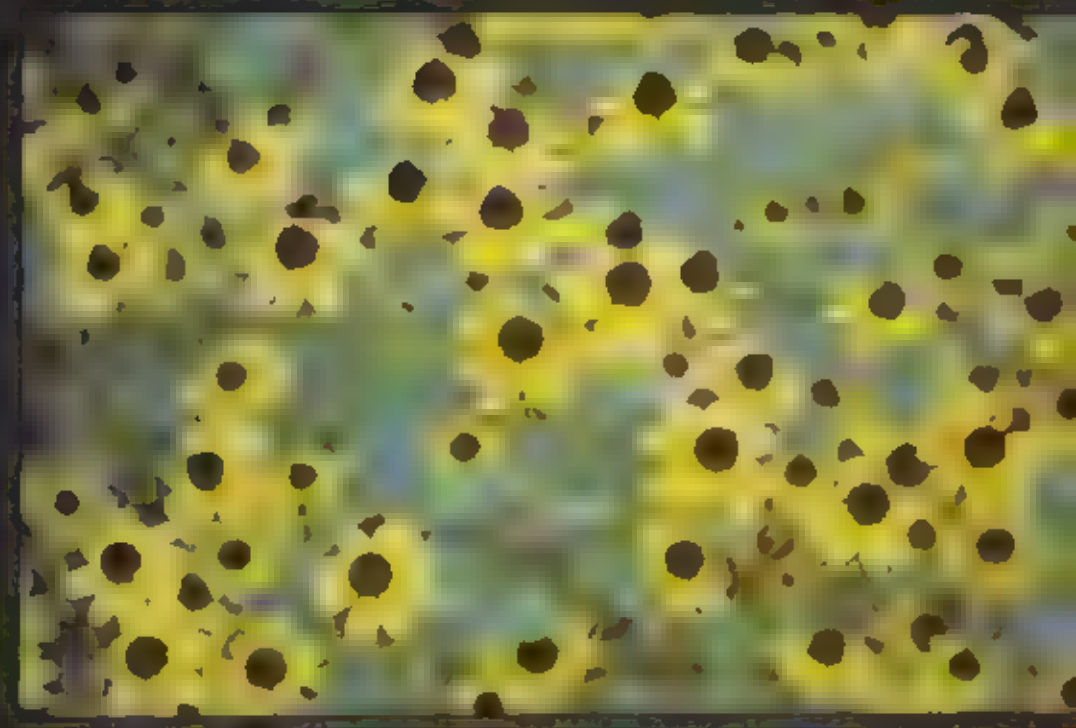

Reach back for the joy
And the sorrow, put them
Away in your mind. For
Memories are time that
You borrow to spend
When you get to tomorrow.

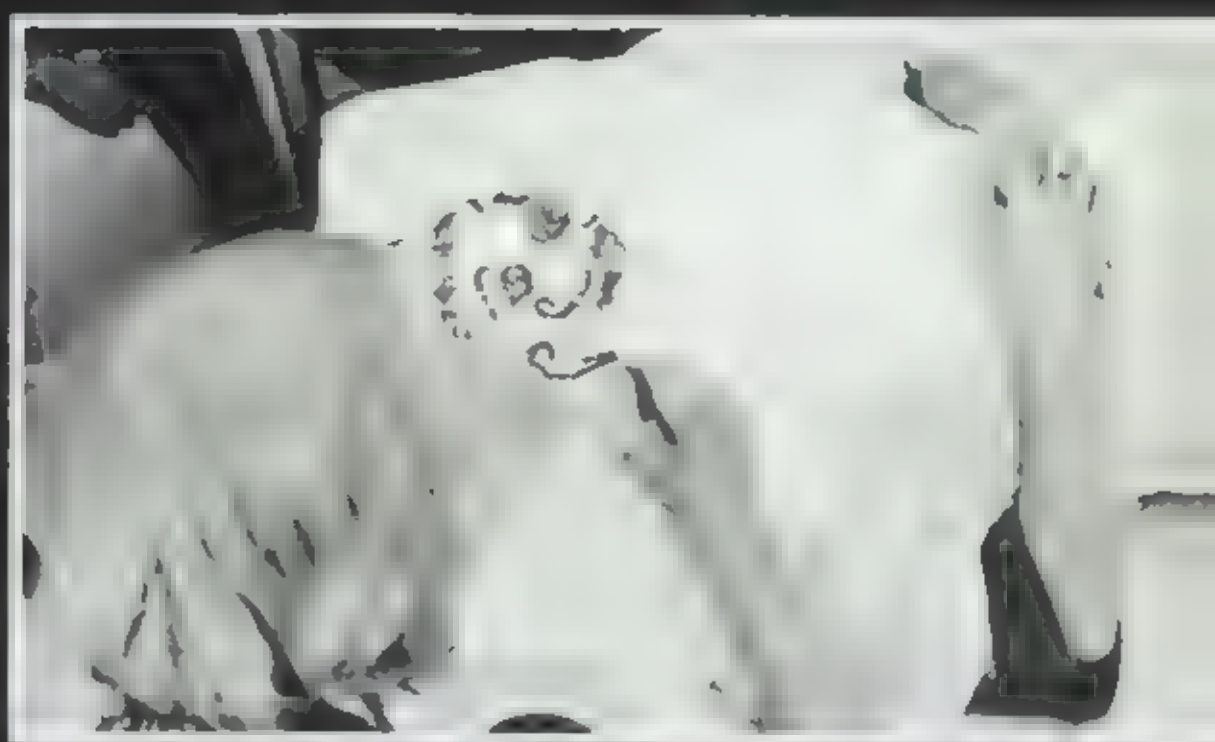

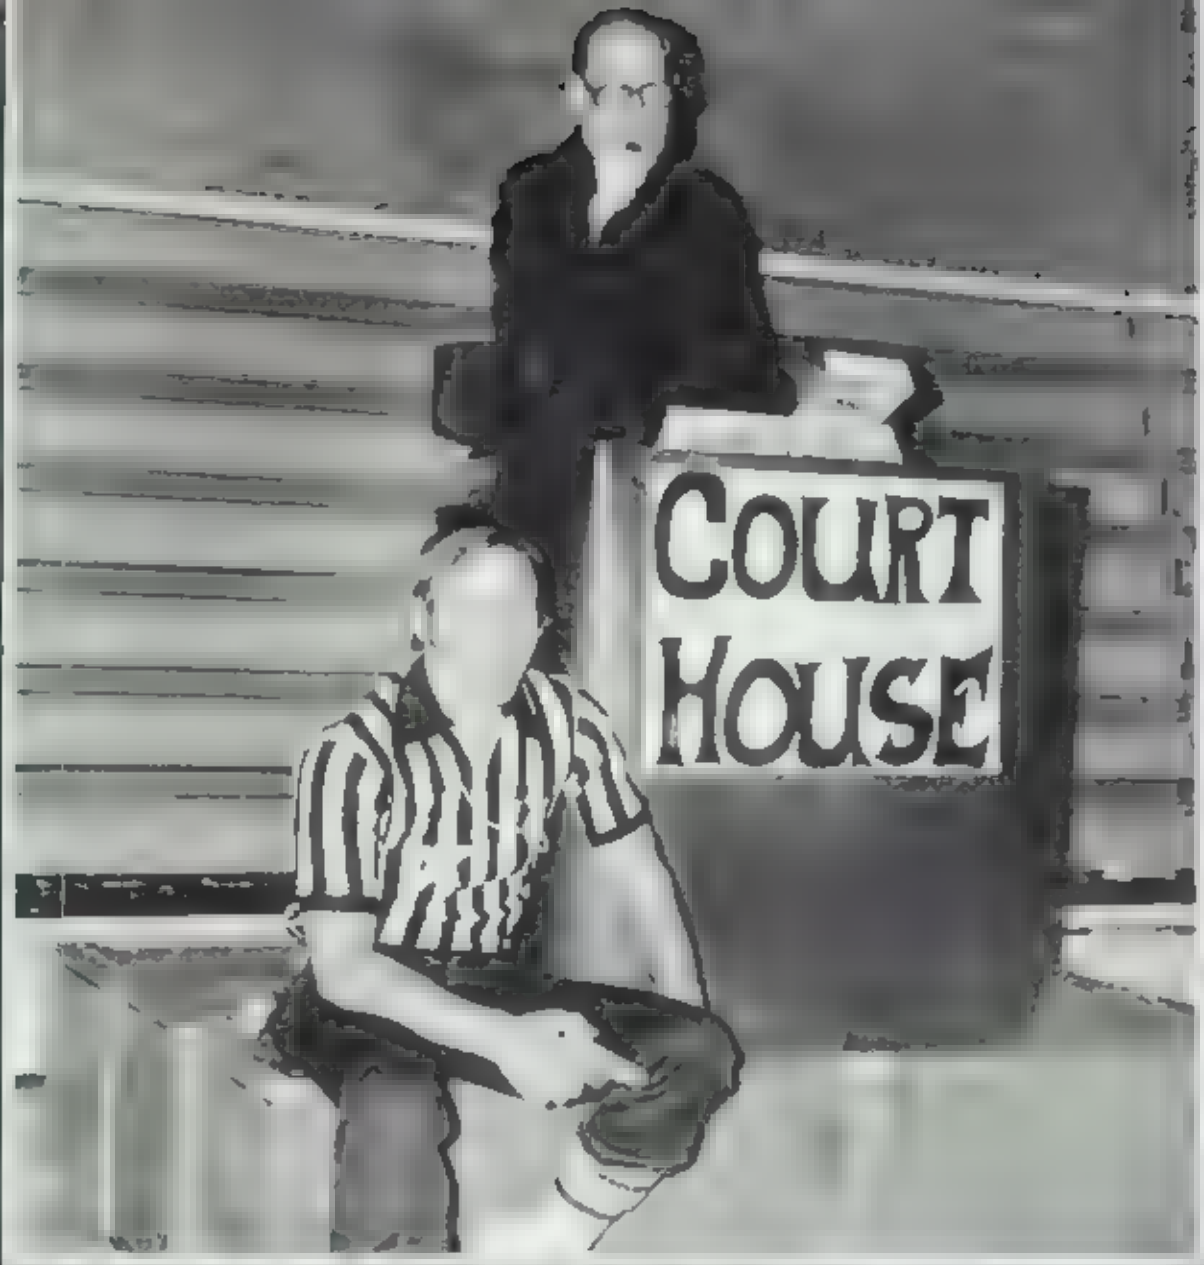

Here comes the setting sun.
The seasons are passing one by
one.

So gather moments while you may.
Collect the dreams you dream
today. Remember.

... will you remember the
Times of Your life?

ADMINISTRATION

ADMINISTRATION

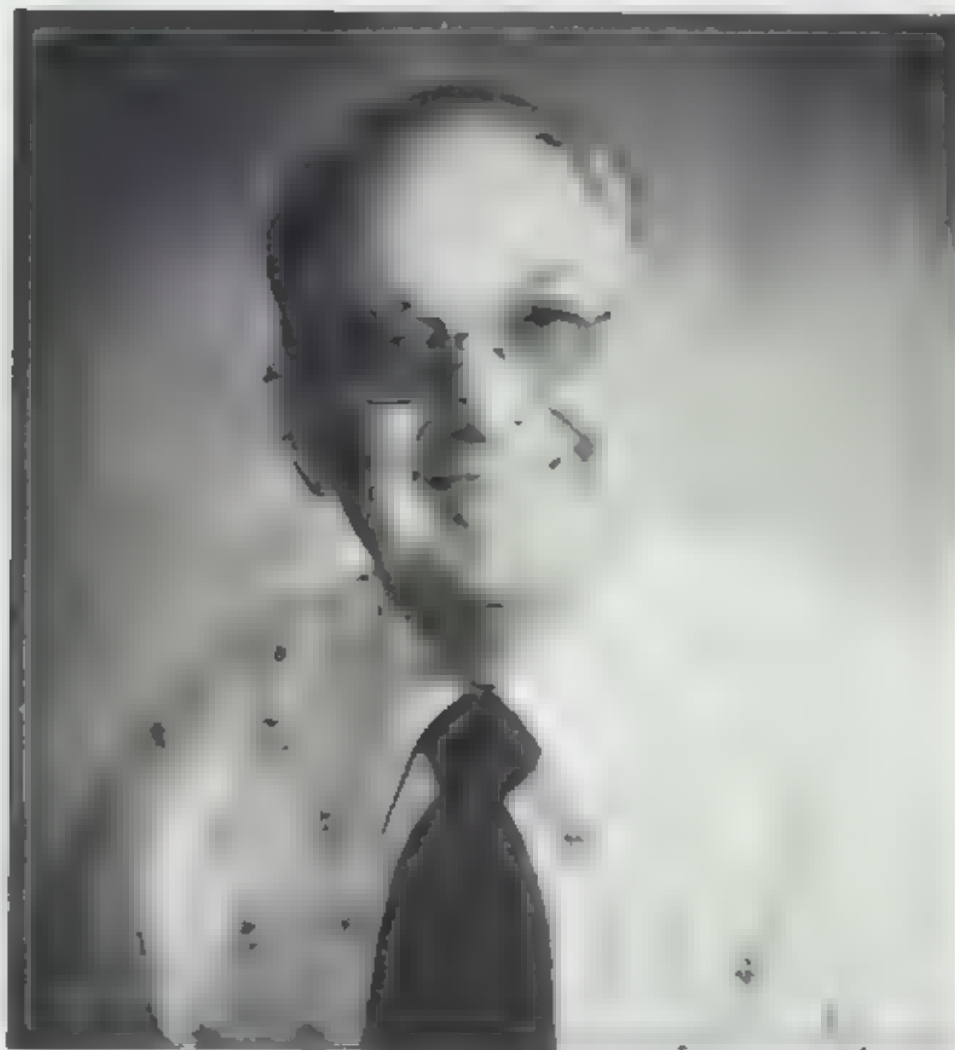

The year 1979-80 has been a successful year for Emery County High School. Each of our departments has excelled at sometime throughout the year. Many region activities have been won by Emery High School, and the school and community has been well represented in state activities.

Our school has come a long way in reviving the old Spartan pride but we still have a long way to go before we reach our potential.

Many long hours and early morning practices went into the making of the 1979-80 Spardette Drill Team. Their well perfected marches added color and entertainment to halftimes throughout the sports seasons. Mrs. Geniel Huntington was the girls advisor this year and proved to be a great asset.

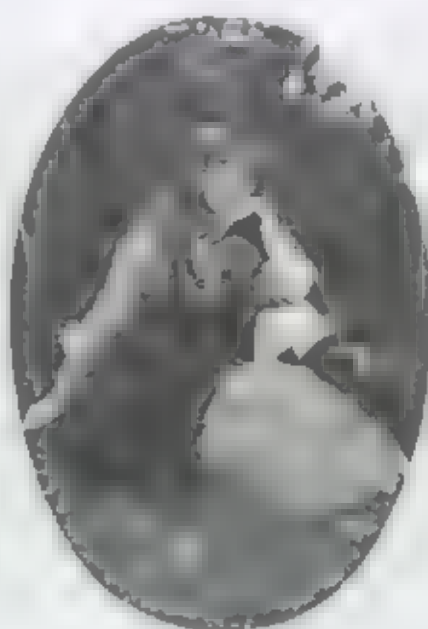

During the summer the Spardettes attended a Drill Team Clinic where they received a Superior Rating Trophy. They also participated in their first statewide competition last fall.

We had a lot of fun, but it took a lot of hard work to produce this yearbook. Many long hours were spent designing its pages, writing the copy, taking the photographs and selling the advertisements.

It couldn't have been produced without the dedication of the staff or the help of Mr. Steve Murdock, our advisor, who has worked harder than any of us.

We are proud of this yearbook and we hope it will help you to always remember the **"Times of Your Life."**

ACTIVITIES

HOMECOMING '79

Homecoming week was filled with hard work, long hours and school spirit as students created floats, perfected drills and learned marches. However, it all seemed well spent as **"Days Like These"** began to unfold. The powder puff football game kicked off the festivities Thursday night, as the Junior and Senior girls squared-off on the football field. This year the Juniors seemed confident that they could defeat the Seniors and thus upset the long tradition of Senior victory. The Seniors scored early in the contest. The Juniors bounced back with two touchdowns to lead part of the contest. Late in the fourth quarter the Seniors scored to win the game, 16-14.

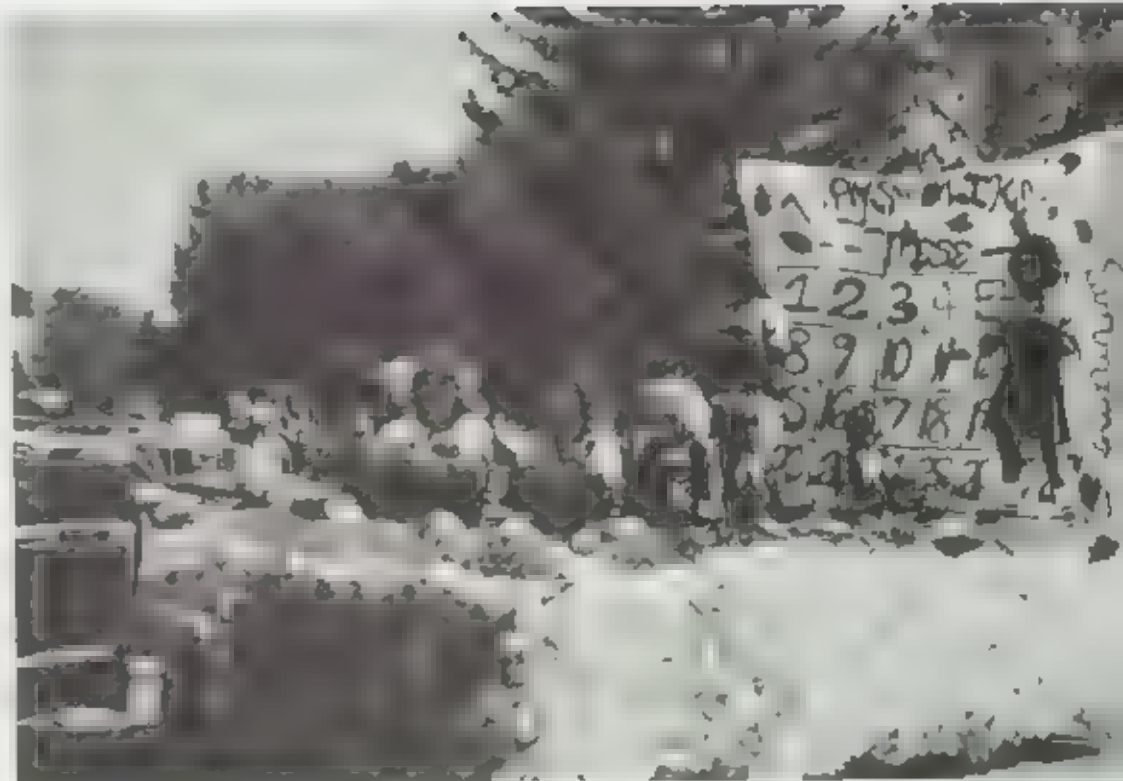

The Friday morning assembly was highlighted by pep skits and the crowning of the Homecoming Royalty. Donn V. Jensen and Ken Chynoweth were named King and Queen with Margaret Hatch, David Law, Margaret Weber and Darrin Wood as attendants. The "Days Like These" homecoming parade on Castle Dale mainstreet, gathered a large crowd and featured floats by clubs and organizations, The Emery County High School Band, Flag Team, and the Spardettes.

On Friday afternoon, September 28, the Spartan football team matched their skills against the San Juan Broncos. Tension filled the air as the teams met head-to-head on the field. At the end of the first half the score was tied 13 to 13. The second half was scoreless for Emery and the Broncos powered ahead to win the contest 21 to 13. Friday night after the game, the traditional homecoming dance brought activities to a close.

"DAYS LIKE THESE"

"Days Like These", homecoming 1979-80, was an exciting fulfilled week that will long be remembered as one of Emery High Schools best ever

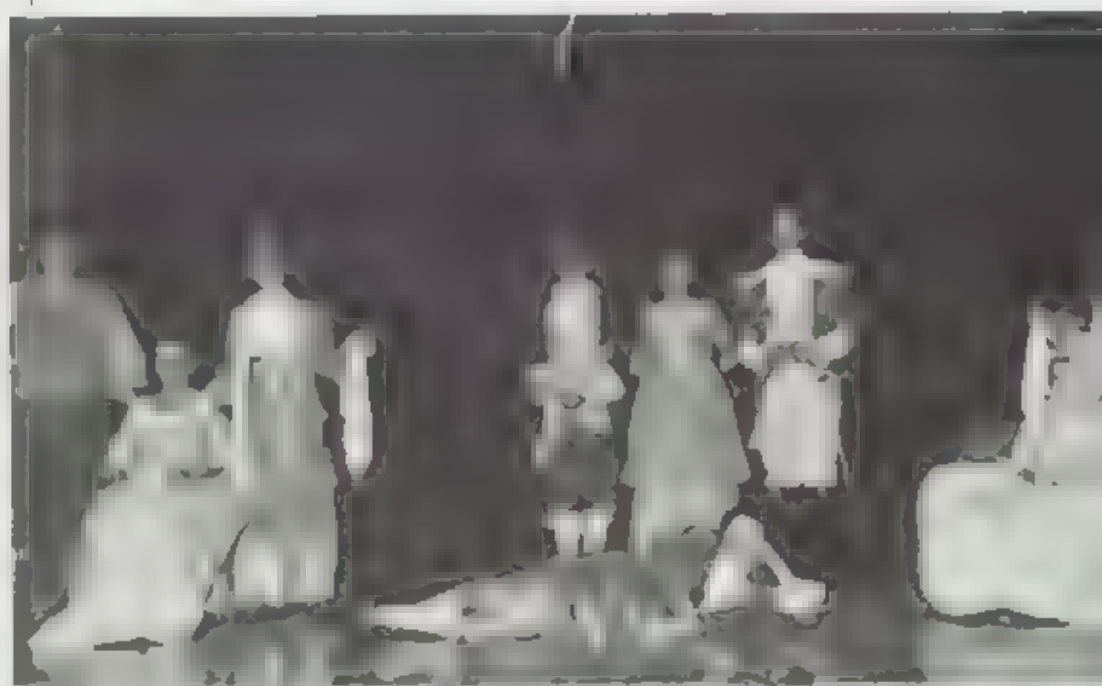

"THE CONTRAST"

On November 15, 16, and 17 the drama and choir departments combined to present an unusual and thoroughly entertaining musical comedy entitled "The Contrast". Situated in colonial America just after the Revolutionary War, the Contrast "contrasted" the large social differences between those early Americans who decked themselves in powdered wigs and knee briches and those who were rough-and-ready countrymen. The basic question posed to the audience by the play was: is America to cultivate its own customs and manners, or is it to follow, at an exaggerated distance, the fashions of Europe. The play included many scenes of "slap-stick" like comedy which thoroughly entertained and amused audiences each night it was presented. Though very little scenery was used for the production, the authentic costumes added a realistic touch.

The Flight of the Herons is the story of a young peasant girl Anna Kerenoff, who is in a Russian prison for her beliefs in freedom and democracy. Her mother and overworked tries to see her, and she is forced into a confrontation which she has long avoided with the commandant. Anna's ordeals in the prison and her opinions as she awaits death made the play exciting and touching.

The junior varsity squad showed tremendous talent throughout the 1979 year. They finished the season with an impressive record of 6 wins and only 1 loss. This effectiveness should prove helpful next year when these players move up to the rank of Varsity.

REGION 10 CHAMPIONS

Emery High Basketball had a fine year under the direction of coaches James and Dean Nelson. From the beginning of the season the Spartans dominated Region 10 basketball and ended the season as region champions. Although Emery's performance at the 2-A State Tournament was disappointing, we congratulate our boys on a successful and exciting season.

Bad weather took its toll early in the baseball season, but as the weather warmed so did Emery, as they went on a six game winning streak! The Emery Boys Track Team had an exceptional 1980 season. They placed first at the B Y U invitational, and the Richfield Track Meets. Second at the Snow College Invitational and won the Region Ten Championship. At the State Track Meet held in Cedar City, Emery took second place.

Although somewhat disappointed by their track season, the Emery Girls placed third in Region Ten and Second at the B Y U Invitational Track Meet. At B Y U several records were set by the Emery Girls. Eight members of the team qualified for competition at the State Track Meet held in Cedar City on May 17.

This year was a season of rebuilding for the girls volleyball team. After losing several of last years starting varsity players to graduation, they were faced with a virtually inexperienced Varsity squad.

Injuries also took their toll, as they got off to a slow start. Things began to look up mid-season however and the girls finished the year looking very strong with a 5-7 record.

Starting the year off with an all new varsity squad, the girls basketball team had to work very hard. Their dedication and determination paid off however, as they finished the season with a 21 win 2 loss record and finished first in region 10.

ENCLOSURE

GRADUATION 1980

The Seniors are the big ones
 The Juniors do their best
 The Sophomores are the little
 ones
 They're everybody's pest

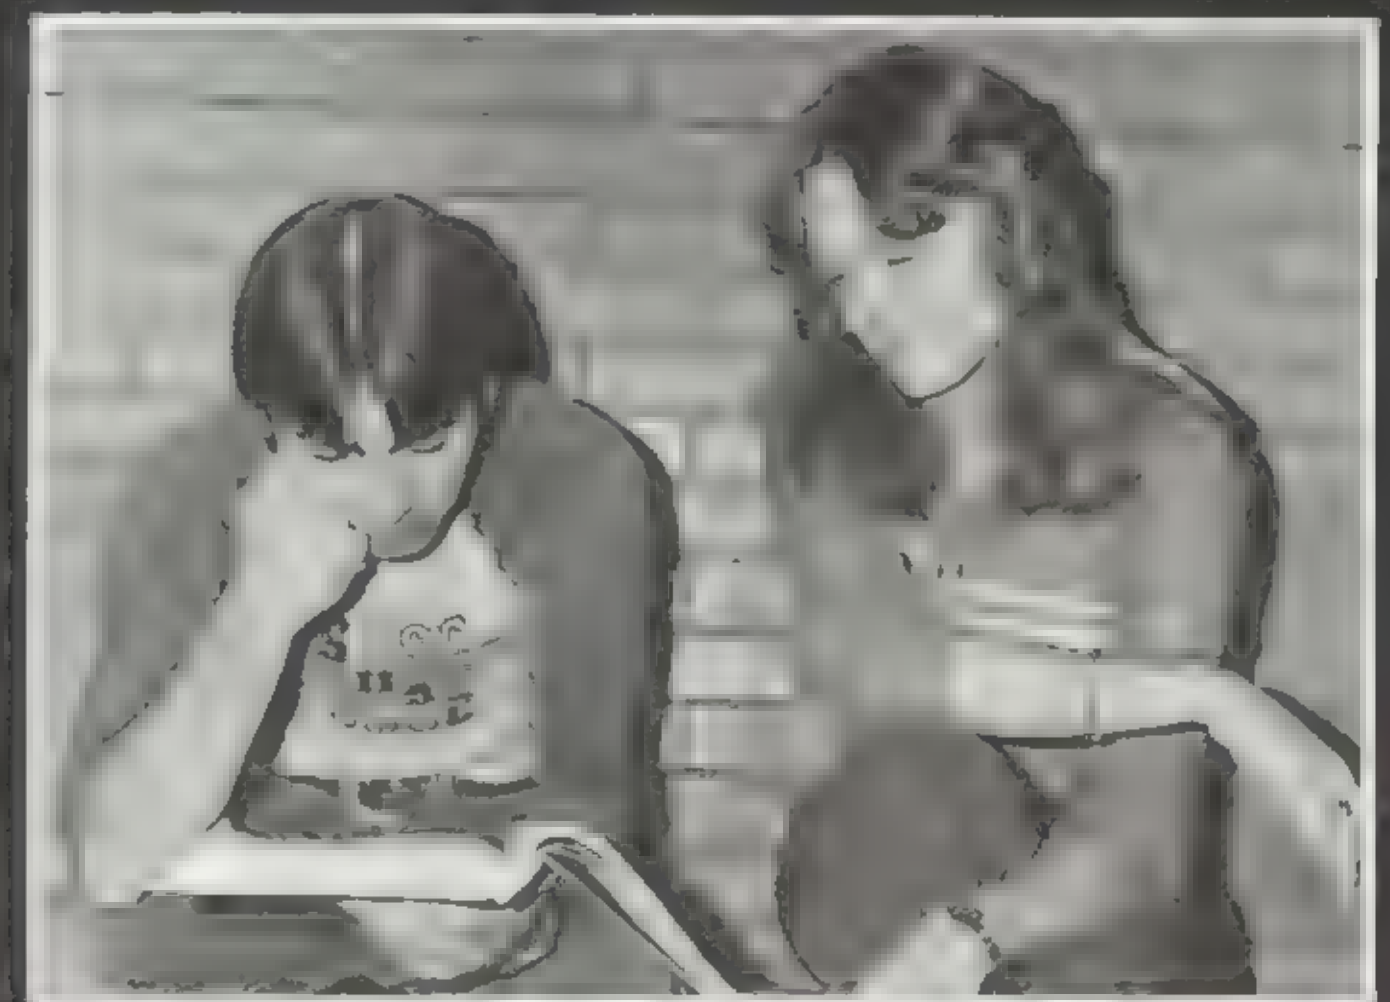

Roll call, black boards, chalk and
grades,
Are to teachers like Ham is to Eggs.
This bunch is the greatest, we really
think so.
They're the ones who taught us
everything we know.

Honors!

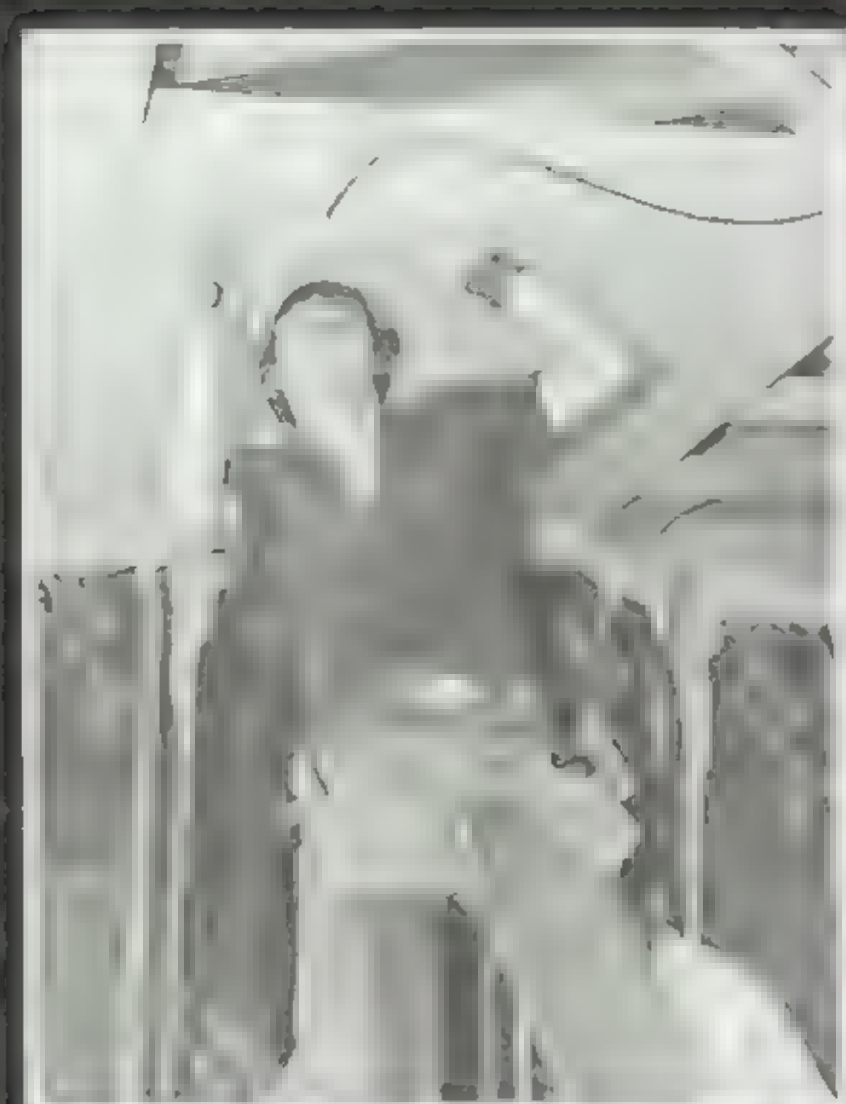

These students worked so long and hard for it is proved on their Report Card. Their citizenship marks were very high. They set an example for us all to live by.

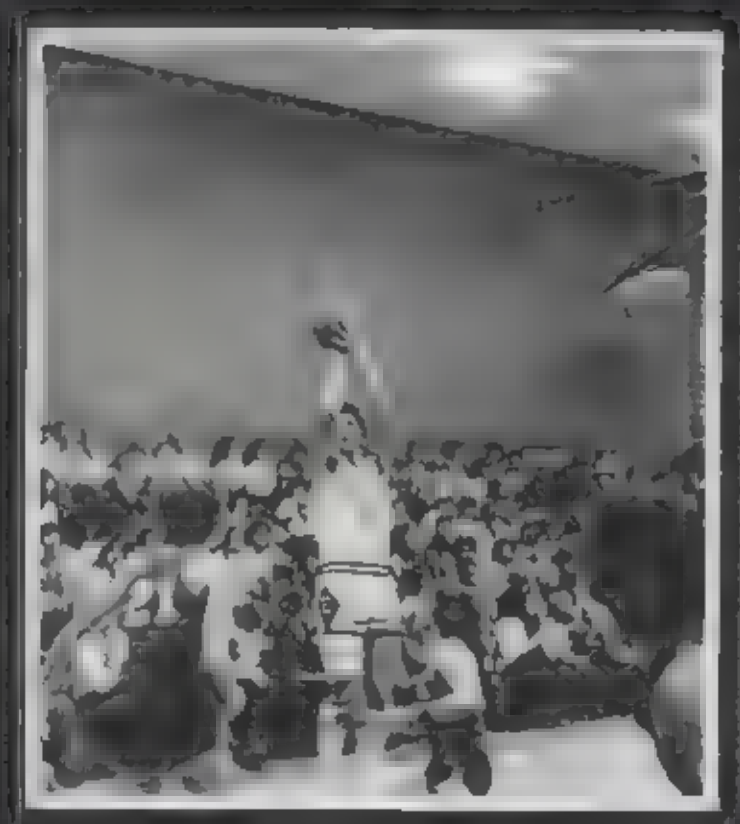

Dances, Games, Assemblies, and Prom
 We hoped to be you did belong
 Work and worry, sweat and tears
 Lasting memories through the years

They voted on their officers
so eager and so new
And at their meetings they
planned many things to
do
It made the year so fun
always as could be
And the purpose of it all
for only you and me

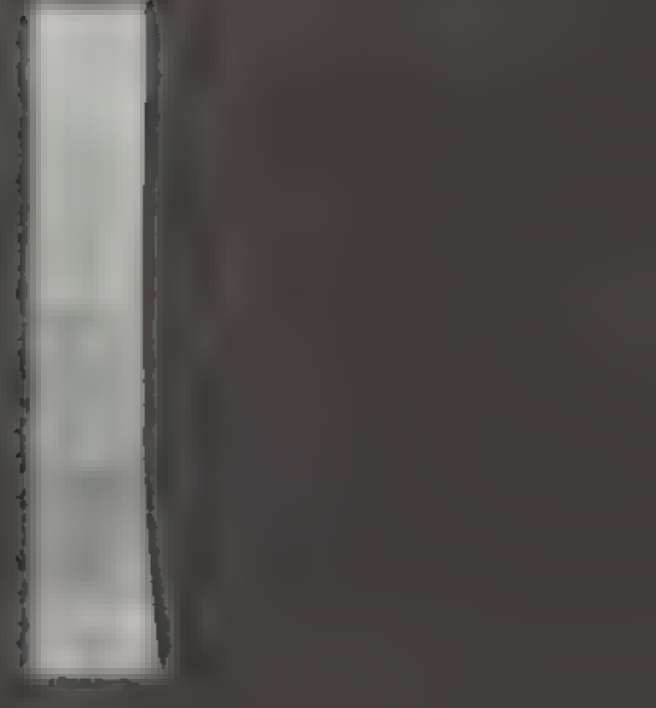

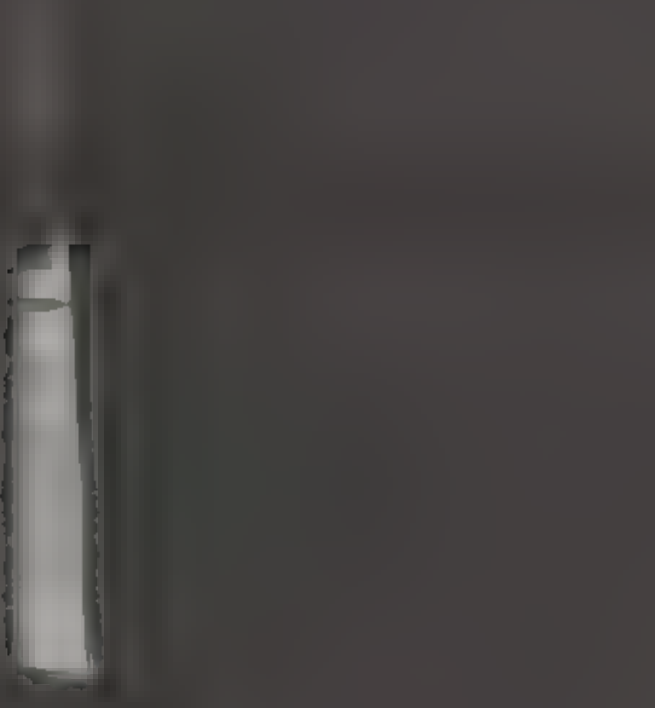

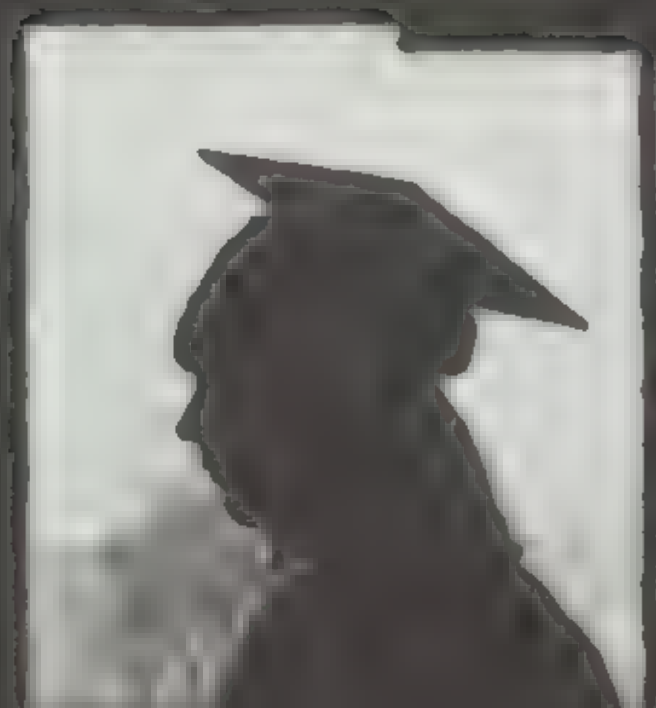

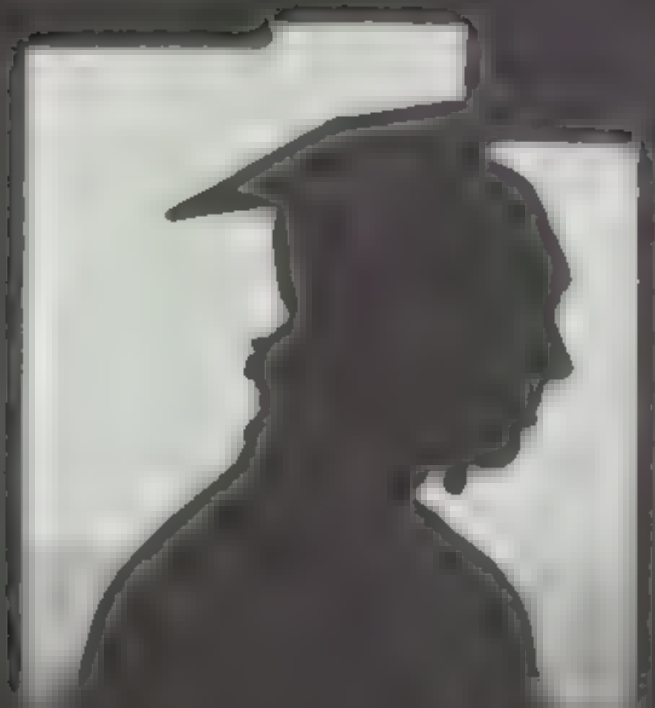

They held their banner so high and so bold,
 To show they were proud of our black and our gold.
 They gave all they had; they did their best,
 The year now over they passed their test.
